NOTE FOR ORDERS.

Subject:—

In re running up a wall between the Moulana Peer's tomb and the makkan at Mysore.

In February 1907 One Syed Amir Ali Moulana Khadri Chisti of Mysore petitione this Office praying for permission to erect a wal separating the Moulan Peer's tomb from the makkan and open a new gate in the compoun wall. This petition was forwarded to the Dy Commr for dispo Mr. C. B. Seshagir Rao, Asstt Commr. My animed the petr. [illegible] [illegible] and Darvesh eer Khadri - counter etr. - in person - Darvesh eer Khadri ~~was~~ deposed tat one Moulana Peer, i Fakir lived in his iouse for 40 years, that le came from Madras had no relations, that on his death in 1888, us remains were buried n Darvesh Peer Khadri's private Makkan and that he had no objection to the petr or anybody performing Urus there on obtaining his previous permission so that he may see that no injury is done to plants, The counter-petitioner further says that the makkan being his private property, the petr. has no right to put up a wall separating the said tomb or to open a new gate. The Muzrai Asst. Commr. thereupon ordered that the petr. had admittedly no right to the site of the makkan, nor to put up a wall separating the tomb and the makkan and open a separate gate in the compound wall. He further ordered that if the petr wants to perform urus, he is at liberty to do so as the counter-petitioner does not object with provided the plants and buildings are not in any way injured.

Against this order, the petr preferred an appeal to the Dy Commr. Mr Ramanujiengar inspected the makkan with both the contending parties and confirmed the order passed by Mr C. B. Seshagiri Rao, and declined to pass a different order.

Against the foregoing order of the Dt magistrate & Dy Commr., Syed Amir

Ali, Moulana Khadr Alvi Chisti has appealed to Govt: In his appeal petn - which is not quite clear - he says that the statement of Darvesh Peer Khadir is false, viz, that the late Moulana Peer lived in his house for 60 years & that the place where his remains are interred is his private property He prays that the place may be inspected and his witnesses enquired and orders issued segregating the tomb so as to leave it

Sir

I find that the Makan in question is not a Muzrai institution but a private Makan. Both the D. Comr. and the Asst. Comr. have passed their orders as Magistrates.

Petr. may be informed that the Muzrai Dept. cannot interfere in the matter.

No 113 dated 24th November 1902.

On further enquiry the Dy Commissioner states that the makkan in question is endowed with neither land Inam nor Cash Tasdik

From an old File belonging to the General Branch of the Dewan's Office it is observed that the same question arose about 10 years ago; that Mr Madiah, the then Deputy Commissioner of Mysore finally reported to Govt that the contending parties were not likely to come to any terms; that the matter having been submitted to the Councillors

Messrs Abdul Rahiman
and Thumboo Chettyar,
the latter referred the
question to Mr Srinivassa
Charlu for amicable
settlement and that
the last-mentioned Officer
recorded× his opinion
as follows:—

× on the 29th July 1900—

"During my visit to
"Mysore I inspected the
"place" and spoke to the
"parties concerned.
"I regret that these
"persons are not at all
"likely to come to any terms
"towards the amicable
"settlement of the dispute
"I would therefore
"suggest that matters
"be simply left without
any

any orders being passed as any
"order given one way or the other
" at this stage would only
" all the more embitter the feeling
" between the parties."

The File appears to have been
retained in the Mazhabi Dept.
without any action being taken

The Petitioner has submitted
3 memorials to His Highness the
Maharaja which have been sent
to this Office for disposal. In
them the Petitioner prays that the
portion containing Moulana
Pir's tomb may be separated
and walled up and given to
his possession so that he may
have
Oorus to be performed to the tomb

Deputy Secretary's remarks:-

The General Branch File
(submitted herewith) shows that
this matter was before Government
on a former occasion, and that
it was then found that the petitioner
Syed Amin Ali never came

Khadir Alvi Khisti was no relative of the deceased Moulana Peer, that he was simply agitating the question as a partisan of one of the Mohomedan factions in the Mysore City, and that all attempts to bring the parties to an amicable settlement, failed. There is an exhaustive Office note in the File (marked with slip A) which goes fully into the subject.

Bereft of the party feeling connected with the case, the question appears to be this.— The tomb of a Mohomedan Peer is situated within the enclosure of a private cemetery belonging to a private individual or family. The tomb is one which both the contending parties hold in veneration, and the party in possession

have

have no objection to the other party performing acts of worship &c to the tomb at the place where it is situated. The last named party however, demur to this and want the tomb to be altogether separated from the private cemetery by the erection of a wall. To enable them to have this done, the party concerned must establish their right in the Civil Court. This, the petitioner has not attempted to do, as he has stated that being a Fakir he is not able to furnish the necessary stamps and proceed to law. Under these circumstances, Government cannot, it is submitted, pass any orders

12

regarding such private rights.–

Petitioner may be informed that his prayer is a question for the Civil Courts to decide, and that the Government decline to pass any orders in the matter. I beg to invite attention at the same time to Rai Bahadur, Mr. Sreenivassacharlu's suggestion that no orders need be passed on the subject, as any orders that may be passed will only embitter the ill feeling existing between the parties.–

Sir,

With reference to your official memo nos noted in the margin, forwarding for report with proceedings, petitions ⊗ nos 1358/427, 1652/526 and 1991/661 received from Syed Amir Ali Moulana Khadri, Alvi Chisti of Mysore in the matter of running up a wall between the Moulana Peer's tomb and the makkan at Mysore, I have the honor to state as follows:-

The Complaint is that Darvish Peer Khadri obstructs, petitioners from, putting up a wall separating the muniana that the site of the Makkan is public property, and that Darvish Peer Khadri has no right to it. This complaint was enquired into by Mr. C.B. Seshagiri Row, and it was ordered by him on the 1st June 1901, that as the petitioner had admittedly no right to the site of the Makkan — whether it was public or private property, he should neith put up a wall separating the tomb of Moulana Peer from the Makkan, nor open a new gate in the Compound wall.

The case came up before me in appeal. I inspected the Makkan and passed an order on the 17th July 1901 confirming the order passed by the Muzrai Assistant Commissioner, It followed an order passed by a former District Magistrate.

The present appeal to Government is against the said order of the 17th July 1901.

The entire file of papers bearing on the subject is herewith submitted for reference and to be obligingly returned when no longer required.

I have the honor to be
